

Plan upcoming dinners:

U: Alexa, start Aroma

A: Hello! What would you like to do today?

U: I want to plan Monday's dinner.

A: Okay, Let's do that. Planning dinner for Monday. You can tell me the recipe name or your favorite ingredients. What do you want to do?

U: Give me a recipe where I can use broccoli

A: Awesome, you can make Cheesy Garlic Broccoli, it's quick and delicious. Do you want to hear the ingredients?

U: Tell me the ingredients.

[Aroma starts the ingredients, then instructions. Users can add missing ingredients to their shopping list]
