#### Sample dialogue

**U: "Hey Aroma, I need to make a quick dinner"**

**R: "Do you have any specific ingredient in mind?"**

**U: "I'm in mood for something with broccoli"**

**R: "Alrighty, I've an easy and a delicious recipe for you. You can make Cheesy Garlic Broccoli. Do you want to hear the ingredients?"**

**U: "I want to hear the ingredients"**

**R: "Great. You need broccoli, vegan cheddar cheese, and garlic. Do you want to proceed to the steps?"**

**U: Sure!**

**"The user can proceed with the recipe or add the missing ingredients to the shopping list and save the recipe for a later time."**
